20th Year of Thanksgiving Turkeys to Didion Employees

CAMBRIA – On behalf of [Didion Milling, Inc](#) (Didion), John and Dow Didion gave each of their employees a turkey to assist in their Thanksgiving celebrations amongst family and friends this year. Since 1991, John and Dow have been giving out turkeys to represent how thankful they are for their employees and the value they bring to the company and surrounding areas.

Joelle DeBoer appreciated her turkey for her family and was personally handed her turkey from Dow Didion as he thanked her for her hard work this year. “This is my second turkey from Didion. It is always great to have it on my family’s Thanksgiving table. I plan to make turkey salad sandwiches with the leftovers this year,” says DeBoer.

John and Dow Didion know the meaning of family. Two brothers from a large agricultural family got their start in the grain merchandising business in 1972. They have been working side-by-side in their family-owned company ever since. This year, Didion celebrates 20 years operating in Cambria.

About Didion

Didion is a family owned operation with more than 150 employees and four locations in Wisconsin. For nearly 40 years, the Didion family of companies has been an employer and innovator in Wisconsin’s Agricultural community.
